“ I just LOVED that big gentle Ben. He spent time at our home when he was younger and was such a loving gentle soul. He was a good friend to some of our kiddos. We were soooo sad and heartbroken to hear he had passed. I am sure they were celebrating his arrival on the other side but I know his Dad's heart is breaking as well as his siblings and Mom. Soooo sorry!!!
We love you, Ben.....

“ My sweet brother. There are too many memories to chose just one. I think my favorite thing though, was our couch cuddle sessions when I was still a little little girl. You were my safe place. Or the time you got a puppy and let me name him and ended up giving him to me to keep <3 I love your heart. I'll never stop missing you. You're amazing.

“ My most vivid memory of Ben was way back in middle school when I started dating Jesse. Ben thought it was so cool that he put decided he was gonna officiate our wedding. Complete with flowers he picked, he “married” Jesse and I in the basement at Jay and Dyann’s house on city view dr. I knew right then that I loved these people. They were my kind of family. Large and dis functional! We lost one of the great ones. He’s forever in our hearts tho. To all you Turner’s, I wish I could be there. Please know that my broken heart is with each and every one of you. Uncle Ben fly hi brother. You’ll NEVER be forgotten. The great ones never are.

“ Ben-jammin!! I found out about your trip to heaven just a few moments ago... by accident. (But I do believe I was supposed to accidentally stumble across it.)
You were a very large part of a pivotal time in my life. I think of you often! I think of your goofiness, your lovableness, your big and caring heart that is unlike anybody else's. One favorite memeory I have of you is when we (you, me, and Josh) drove down to Colorado to visit Jesse and I got to sit and listen to SO.MUCH.GOOD music!
Another time I really enjoyed is when we traveled to meet up with Rob in the middle of the night. Boy, that was some road trip!! Ha!
And we cannot forget abouty ou, me, and Josh travelling on I-90 all the way to Seattle for the Hempfest. So fun.
Also -- Alice in Chains. I don't even have to explain that one any further... :)
Enjoy it up there, buddy. You will forever be in my heart. I love you, Ben!! ♡

“ A good memory for me that keeps popping in my head and makes me smile. When I was a kid maybe 10 or 11,for a week or two Ben would come down to my room in the morning and quietly start playing guitar and singing. Giving me a nice calm wake up call for school. I just keep going back to that moment and I smile. Love you bro!!
