“ Fond memories of spending Christmas with my aunt Christine and uncle Glenn at the sterling ill farm,all of us cousins had a wonderful time .my father would be on the piano and aunt Christine would be on the organ.Both playing Christmas songs and many hymns.uncle Glenn would be sleeping in the chair and Gene ,Wayne and us cousins would be running into the dining room to crack nuts that Aunt Christine had on the buffet table in a large bowl.RIP cousin and thanks for the memories.

“ There are not enough words to describe the pure mischief that was Gene! When my brother Tim introduced Marcia to the Lutters clan, it was slightly overwhelming for her, since the Ulm clan consisted of Gene, Sandy, Michelle, Marcia, Joe, and Michael, while there are literally dozens of us. The first time we met Gene, it was obvious he was 'one of us' and we promptly claimed Marcia's entire family as honorary Lutters! Over the decades, I've spent many hours harassing Gene and being harassed in return, to our mutual pleasure. He will be greatly missed by his family and mine as well. Joe and Ben join me in sending our love, respect, and condolences to all of you.
