

Jonathan Thomas Lorance

May 15, 1979 - September 18, 2020

Jonathan "Jon" Thomas Lorance of Greeley Colorado passed away Friday, September 18, 2020.

Jon was born on May 15, 1979, in Greeley Colorado to Douglas Lorance & Sharon Thomas Loose. He was a very inquisitive and happy baby. On his first birthday, Jon was given a chocolate cake which he proceeded to cover himself in. As a child he was rarely seen without a ball in his hand. He could make people laugh, and his smile was infectious. Jon developed a love for art at an extremely young age, and his brothers remember getting marker tattoos on their backs that would keep them laughing for hours. Jon was very adamant on playing football and becoming a quarterback until he realized he would be tackled. This is when his love for baseball and basketball started. He played for the all-star team and was an outstanding pitcher. The list of memories includes his sisters singing Frere Jacques, his first job at McDonalds, wrestling and the true big brother DDTs, strawberry worms, catching crawdads and his love for the mountains to which he referred to as "my mountains". As an adult Jon worked as a heavy equipment service technician. Jon has four amazing boys whom he loved to share his passion for art and sports. He enjoyed doing many things with his boys, but outside activities were what they liked best. Jon is survived by his sons Kaden Mikell (14), Jonathan Conner (10), Declan Ross (8) and Mickey Ardan (5); his father Doug (Elaine) Lorance; his mother Sharon (Ray) Loose; siblings Kevin (Nicole) Black, Daniel (Amanda) Black, Ray (Katie) Loose, Laura (Cory) Loose and Allison Bailey Loose; grandmother Winona (Lyonel) Lorance Kinnison; grandfather Bob Clift; uncle Mark (Jackie) Thomas; aunts Connie Lorance and Anita (Mike) Harris; and numerus cousins, nieces and nephews.

Jon was preceded in death by his grandparents James Elmer Thomas, John "Jay" Hardman Lorance and Melvina Thomas Clift.

A graveside service will be held at 11:00 am on Thursday, September 24, 2020, at Linn Grove Cemetery, 1700 Cedar Ave Greeley, CO

“ Jon...

Or being that you always understood my sense of humor...

STUD !

You and I grew up together...

Maybe you didn't know it at the time but we did... I didn't even know it at the time...

We had many adventures and some good talks about... Let's just use the word "about" as a preposition, "On the subject of: concerning"... Everything...

Ahh, what a role you played in the "Brady Bunch"... You were a great big brother to my children, patient and kind... Jon, I thank you for that, deeper than my heart even knows... Tough job being the oldest child but you did it... You did it well... And we all love and respect you for it... And you continued on... Showing your boys love, patience and compassion... You loved being a part of, and then later having a big family of your own. I never saw your boys sad, always happy and running and enjoying being boys, playing and roughhousing with their father...

Jon, your artwork is unparalleled... It is a reflection of you at that time... Your artwork has always been on display and will continue to be on display in the family home... You showed me appreciation for my musical "artwork" and railroad hobbies also... I hope you know how pleased I was when you asked me for copies of the Dave Clark 5 and Barry & The Remains ! Your mother knows, we had just talked about it... Hey, you liked some good old stuff !!

Everyone handles grief differently. Jon, knowing my humor, you knew that I would always try to interject a small amount of levity into all situations... I could tell you understood by the gleam in your eyes... Grief is no different... Let me end this difficult writing using my time tested method with a question...

Is there a rebuttal link somewhere on this page ?

Love you Jon, sleep tight... We'll talk again...

“ Jon was the only grandchild of Grandpa Jay and Grandma Winona, he was the apple of our eye, of course we thought he could do no wrong!!!
Jon loved riding the moped with Grandpa Jay all around UNC campus when he was little. Jon lived with us for a year and how we did enjoy that. He loved Grandma's shop always wanting to help the Frito Lay delivery man stock the chips, and enjoyed making himself nachos with pepperoni. I would come home from work and the first thing he wanted me to do was play cards and guess who won?
I loved him so dearly and will miss him more then words can say!!! R.I.P. sweetheart!!

“ I don't even know where to begin. There are so many memories. His smile would light up a room! No matter what was going on Jon was always there to make sure things were ok, The best memories I have of him are when he saw his babies being born! His eyes would light up when he first held them. He would smile for days. He was so proud to be a dad, He loved all 4 of our sons. I got the best part of him...our boys. He once told me thank you for being the mother to his boys. I thank him for being the father to my boys. I wouldn't want anyone else to have that role. Jon I promise to make sure our boys know you and remember you. I will never let them forget anything. I will always hang on to the memories we made. Your boys have gained so much from you that they will be amazing men and make you proud!! I love you Jon. You will always have a special place in my heart that no one can ever take.
