“ juanita was in need of finding a place to live. I offered if she would like to have my sofa, she took me up on it and stayed at my house in Fort Collins, CO. The time was short while she was there but I hope she had an ok time.

Juanita was a great cook, one of her favorite dishes she made while living at my house was her Reuben Sandwich. She made the best Reuben ever.

Fly w/the angels, watch over us. I know ur enjoying ur time in Heaven.

“ I meet Juanita a year ago in Feb when I started working with her. She was a amazing woman and will be missed very much. One memory that pops into my head is when we worked together I would say Hi Juanita and she would say not yet but I'm working on it and the we would laugh lol . The members at Sam's loved her too. She was a hoot with things she would say to them and keep a straight face. I also remember her telling me that one day she had a member who made some comment to her and her reply back to them well this isn't Burger King. Haha they went to management and then she was brought in and was asked about it and she said yep I said it. May she rest in peace. Denise Hemmer

“ Memories of Nita my stepmom and me are always good. We did some fun and a big plus is that she learned ASL and we talked a lot. Yes she loved to chat to people. Nita was very smart about many subjects especially politics. I keep Nita in my heart always

“ So sorry to hear of her passing, I worked with her at Sam's Club for 10 years. Have many good memories of her, one of the best is when Three of us ladies went to a park in Loveland, she brought Reuben sandwiches, the best Reuben sandwich that I have ever had, I will always remember her, - may she rest in peace -
