“ 70 years of friendship produces so many memories. I have had a very difficult time deciding what to share. Among the list is Cubs games, church activities, lunch in the cemetery, But I guess the life changing event was the trip she took with my family on our semi annual trip to Colo. when we were 18. We were not out of Ill. When she began asking where the Mts were it was on this trip she decided one day she was going to live in Colo which of course she and Al did. My heart is full of love for her. I will always miss her.
