“ My sincere condolences to Kory and Kevin and your families. I was very sad to see your mom had past away. I had run into her a few times in the past year and seeing her was always a joy. Her laughter was so uplifting and she was such an awesome lady. I first met her through Barb, Dixie and another lady who talked me being on a bowling league with. Later she asked me to work in her beauty shop when she was having some surgery done. Loved her and wanted to attend her funeral today but wasn't able to. May her memories always console you. “ I had the pleasure of knowing Judy Rouse for a number of years. She lived next door to my mother, Margaret Rogers, and tried to keep her out of trouble. LOL Judy cut mom's hair, gave her perms, and was a very good friend and neighbor. Judy and I kept in touch over the years, and I had the pleasure of having lunch with her a few months ago. My thoughts and prayers go out to Kevin and his family, Kori and her husband, and her grandchildren. I know she will be missed greatly in the months and years to come.

“ Ms.Judy was a true sweet heart! She welcomed everyone with a smile and hug. She took the time to listen and she was a very talented musician. I loved listening to her laugh and in a moments notice, everyone else around her would laugh as well. She had a sincere servant's heart and never backed down from listening to the Lord. I will miss her greatly, but I know we shall see each other in heaven. May the Lord comfort and strengthen all her family and friends. The memories are a token of her worth...priceless.
