“ I will always remember dear Grandma Ream when I had her grandson, Matt in my first grade class. Her helpfulness was amazing...bought so many things to share with Matt's classmates and even bought a Christmas tree for our classroom. This tree was given to me to use all the other years of my teaching.
Sorry for your loss and hope that this memory will lift your spirits and realize that all of these years later...(28) I still remember her overwhelming kindness to me.
Sincerely,
Delores Kratochvil

“ Dear Marvin, Rhonda and Family, from the family of Virginia Green (Margarets' Roommate in Lifecare) we send our prayers. Margaret became a great friend to our Mother in Lifecare when she was there. They enjoyed each others company so much and made their days a little better. Our thoughts have been with you for the last 5 years. We are certain that Virginia met Margaret at the gate and welcomed her home to continue on with their friendship. Our thoughts and prayers are with you. Rose Green
