“ Patty was the older cousin who looked out for me when I was little. I remember her taking me swimming at the pool at Congress Park and on the way back to Nana and Papas she kept telling me to be sure not to step on a bee, and in her making sure I didn't step on a bee, she stepped on a bee and got stung in the foot. Another time she was carrying me down the treacherous stairs at Nana and Papas house and she slipped and we fell down the stairs. She wrapped her body around me to protect me as we fell, I came out unscathed because she protected me (she definitely took the brunt of that fall).

“ Patty was a joy in my life. We had such great times together. Halloween (her birthday), Christmas caroling, trips to the zoo, the natural museum, camping trips to the mountains. One time I was with my two nieces and my daughter and I kept calling Shannon with a nickname "Good Gosh Gurtie". Patty and Michelle wanted nicknames to so I came up with "Ha Ha Hortense" for Patty and "Bodine Crunch" for Michelle. Needless to say the nickname stuck and we had such fun with them. All these girls were so shy but very loving. Patty and my dad were very close. He did

everything with her from Garage Sales to museum visits. She loved to dress up and go to church with the family. We had 3 Patricia's in our Patty, Patti, and Pat. I'll always remember that shy, but inviting smile. She always warmed my heart and will continue to do so when I think of her.

“ I always believed that my big sis Patty was one of the strongest, kindest, and beautiful women in my life. No matter the time or distance between us I knew I could count on her love. I am so thankful to have had her in my life, even from half a continent away. I wish with all my heart that I could be there in person for the service, but I will be there in spirit just as she will always be with us in our souls. My mom and I sent a donation in Patty's honor to the Weld county humane society because she was a passionate lover of animals her whole life. Kim, Chacee, Bryson, I love you very much and if you ever need anything please call. You three were her greatest joy and proudest achievement in life.

With love, Aunt Brooke

“ Patty and I were neighbors for almost a year out in the boonies. I worked for her when she had Mesa Grooming and then again when she had Patty's Place, till I purchased the business from her in 1994. We had some good times. She was a gray person. We also went to the Renaissance festival one year and that is the only time I've gone since. We had lots of fun. I haven't spoken to her in several years, but thought of her often. My email is still cathyhpattysplace@hotmail.com. My condolences to the family.
