“ I have known Teddy for many many years. He used to go fishing with my Dad often. Every time we saw him he would tell the story of he, my Dad, and I put fishing and my Dad went to cast his line and hooked his chair and hurled it over his head. He would laugh so hard about it.
Rest in Peace Teddy! Say hi to Mike, and go fishing with my Dad!

“ Teddy used to call me Caronas. Don't know where he got, but I liked it. Ted did like to fish, and we drove to Fort Collins, one afternoon and fished some sandpit ponds that the City of Fort Collins converted to a park and fishing area. We caught some nice perch and crappy. One time I had a friend take me fishing on a private pond in Loveland on highway 287. We caught bass a on almost every cast. I had a bag full of bass. On the way home. I stopped by Ted's apartment behind the Greeley Mall. I opened the back end of my Escalde and opened the bag to show Ted the fish...there must have been fifteen bass in that bag. He asked.. "what are you going to do with all those fish" I said... "I'm giving them to you" he got the biggest smile on his face...he said... "wow, I'm gonna have me a fish fry"we laughed. Ted was my good friend...It was nice seeing him at Dana's service. I told him we was going to go have a steak at Texas Road House on me. I guess I'll have to wait on that one. Gonna miss you Ted. Love you/your Bro...Coronas. Rest In Peace. Say hello to my Bro Harry. Tell Harry I miss kicking with him. God Bless.
