“ Tim's passing weighs heavy on the heart .. and, like so many, we are still in shock, at the loss of such a great man!

Tim's profound impact on our family is hard to put into words, really. His friendship came with no strings or conditions, his passion for our 4-H youth and the 4-H program was an inspiration, him and Jennifer's Goat whispering guru-ship freely shared, and Tim's friendship just made you want to be a better person! He was just so easy to talk to, that a quick call, to chat about a seemingly silly question, could turn into an hour long conversation about anything and everything. We are so grateful to have had the opportunity to call Tim FRIEND!

With our deepest sympathies and love,

The Holcomb Family,  
Bridget, Cory, Kiana, and Caitie

“ It is hard to put into words how we feel after hearing the news of the passing of a great man. Many have posted here so many truths about Tim and the impact he had on kids' lives and I agree 100%. I was always impressed with just how calm he was while at the range or council meetings. When we might be getting frustrated with something, he would just come up pat you on the shoulder and would give you a big mustache grin and something that would make you laugh or let you know it was fine. He was a wise and caring friend whose time with us was way too short. My girls, Aili and Ena, will miss him on the range. Tim brought a sense of safety and confidence for them while at the range. I know Tim's presence will still be with us for years to come; however, we will be missing his laugh and smile but our hearts are comforted by what he gave us over the years. Our prayers are with you all that you will feel loved and comforted in this time of loss.

Love and blessings  
Craig, Sumiko, Aili and Ena

“ Our prayers go out to the Seltzer family. This is a shocking surprise. Tim and I grew up together in school in Brighton. We were in the Good Luck 4-H club together. Tim showed me the ins and outs showing hogs at the Adams County Fair. Lois is quite the woman to haul us kids around the state for livestock judging contest and raise such a great family. Tim rest in peace I will always have alot of good memories growing up with you.

Great Memories Pam, Randy Smith and family.

“ Grandpa Tim. That’s what my family and others called him. Grandpa Tim was a guiding light and force in 4H shooting sports. As the key leader in archery, Tim was a mentor and yet more than that. My kids (Kaitlyn and Lucas) viewed Tim as funny, kind, dedicated, firm, fair, leader, mentor and a friend. Tim had a sense of humor and he wanted kids to have fun in archery. I recall him setting up the 3D course and saying “this is going to be fun.” He was a wonderful person who you could count on to have a positive attitude and a willing hand. Tim really was Grandpa Tim. You knew when to obey and when he wanted to tease. He was just such a shining example of what we should all strive to be. As a mom, I enjoyed chatting with Tim, you could depend on him to always have time to say hi. I knew my kids were always going to be more than alright at 4H practices and competitions under Tim’s watchful eye. I know my husband Justin enjoyed having long conversations with Tim after competitions and archery practices. You will truly be missed Tim. I pray you are watching from above and seeing the fruits of your labors.

May you be with God in Peace.

LOVE ALWAYS,

Kristine, Justin, Kaitlyn, Lucas, Debbie and Trevor Reifschneider

“ To all of the Seltzer family, I am so sorry for your unexpected loss. Tim was such a good friend and client for many years. He helped me launch my land surveying business about 10 years ago and has kept me busy ever since. He and his son Garrett jumped right in and helped me while surveying his family's agricultural lands in Weld and Adams Counties. Tim was always upbeat and cheerful anytime we met and I will miss him and his kind nature a lot... Bob Rickard.

“ My heart aches for you all! The Seltzer family were among the firsts in welcoming us to the livestock grooming supply business world over 11 years ago! Tim always made his way to our door to welcome, share his views, and especially to lend a hand. I will truly miss his infectious smile, words of encouragement, and strong friendship hugs! A generous and caring individual who lives on in his family

“ Yom is among the angels dancing on the stars. He'll always look over his family and friends. He was a genuine man and a trusted friend. He's probably giving God a little challenge right now, in a good way. May family and friends reflect on the memories that will soon warm your hearts turning tears into smiles. Blessings. ...Leslie Berry...

“ I am so saddened by the loss of this wonderful man! He was one of the friendliest, most helpful friends I have made over the years. He always greeted me with a smile on his face and made time to visit about anything over the years. I am praying that God will comfort and hold his family close during this hard time. God sure got a good one!
